Mr. Jake Larson
Kinder Morgan, Inc.

Dear Mr. Larson:

I wanted to express my support for the Permian Highway Pipeline Project (PHP) that is being developed in Pecos County and across Texas. Projects like this are critical to helping create good-paying jobs, benefiting local businesses and providing significant additional revenue to County taxing bodies. In addition, PHP will help continue to support American energy independence.

The PHP Project will provide an outlet for increased natural gas production from the Permian Basin and will enable additional incremental crude oil production of approximately 1 million barrels per day.

I wish for you to have a successful project and look forward to continue working with Kinder Morgan.

Sincerely,

A handwritten signature in black ink, appearing to read "Joe Shuster".
