PERMIAN HIGHWAY PIPELINE
ATTN: JAKE LARSEN

TO WHOM IT MAY CONCERN:

Reagan County is fortunate to have oil and gas activity. Revenue from drilling all the way to delivery is a major component of our tax base. Sales tax and local business also help benefit our county greatly. Kinder Morgan Pipeline (KMPT) is a valuable participant in contributing to the wealth of Reagan County. Reagan County anticipates a congenial working relationship with KMPT and financial benefits for both parties.
